

# Kid Stop On-line Payments

For those families who would prefer to pay their Kid Stop payments on-line please follow the instructions below.

1. Gain initial access to the Infinite Campus Portal by verifying your household information with your child's school office.
2. Turn in your child's schedule for the week/month stating which days he/she will be attending Kid Stop. Please contact Kid Stop and your child's school office if the schedule changes at any time. You may also e-mail your child's Kid Stop schedule to me at pgavin@barabooschools.net if you are planning to make your payment on-line.
3. Check your Kid Stop account the following week to find a posted bill in your parent portal under the "Fees" tab. You may then choose which option you would like to use to make your on-line payment.

**What a great way to track your child care expenses!!!**

*Please keep in mind...*

*- you may not make a payment until your bill has been posted.*

*- you may not make a lump sum deposit like you are able to do with the food service program. Your Kid Stop bill must be posted prior to making a payment.*

For more information, please contact Pat Gavin, Kid Stop Coordinator, at 355-3925, ext. 7150.

Thank you!
